

# Directions to Hawequas Scout Ranch - Wellington

From Cape Town, take the N1 North to the Klapmuts turn off (Exit No 47) onto Route R44. Turn LEFT and follow the R44 to Wellington. At Wellington, at the top of the hill (past the Cemetery on your right) at the traffic lights, turn LEFT to join the double carriageway from Paarl (R303). After ½ km the road starts turning right and going downhill. Get into the right-hand lane. There is a fountain on the right, and at this point turn RIGHT into Blouvillei Rd. (If you reach the traffic light with a church on your left, you have gone slightly too far – turn back and try again.)

Follow the Blouvillei Rd for about 4km, and turn right at the Olyvenbosch turn-off sign (also Hawequas Scout Ranch sign). Follow the gravel road, with signs all the way, without turning off until there is a steep hill and a large Scout sign right in front of you, where you turn sharp LEFT. Go through the big sliding gate (you should have a key for this if locked...otherwise phone 021 864 1191 for the Warden). Follow the road without turning off anywhere as you are now on private property. Pass the dam on your left, cross the river over narrow low flat bridge (max 5 tons). Go up the steep hill with a sharp bend at the top and into Hawequas: you have now arrived.

For the: -
