* LDC1 and LDC2 are not the same course. Scouts need to have completed LDC1 before doing LDC2.

** These are Scoutcraft badges and are either run over 1 day or 2 days depending on the course. There is no second weekend.

The Region is not currently planning on running the Scoutcraft Map Reading badge course in 2019.

For 2019 only, we will be lenient on holding the relevant prerequisite Advancement badges. The age requirement must be met.
